

Field Education

MSU School of Social Work

WHY MSU SCHOOL OF SOCIAL WORK?

Over 5,000 placement opportunities with partnered agencies across the state of Michigan

Students can preference their field placement matches

Field Coordinators match students to field placements based on their preferences

Students are actively involved and supported in their field placement

Field placement fit is based on a pre-placement interview between student and agency

Field placement start flexibility for students

• **Regular MSW Program:**

- 1 Generalist field placement and 1 advanced field placement (Clinical or Organization and Community Leadership)

• **Advanced Standing MSW Program:**

- 1 advanced field placement (Clinical or Organization and Community Leadership)

• **MSW Integrative Field Seminar Group:**

- Largely student driven and lead
- Connect with other students about field education in smaller groups
- Integrate field experiences amongst students within your area of specialization

• **Undergraduate Social Work Program:**

- 1 Generalist field placement during senior year
- 16 hours in field each week

• **BASW Integrative Field Seminar Course:**

- Connect with other students in field in a classroom setting
- Integrate field experiences with other social work courses
