IPE Human Trafficking Workshop

Provided by Colleagues from MSU College of Nursing & Osteopathic Medicine, School of Social Work, and Ferris State University College of Pharmacy

**Workshop Outcome:**

Interprofessional partners will acquire knowledge in recognition, assessment and follow up of human trafficking victims adhering to Michigan training requirements while demonstrating core competencies of interprofessional education and collaboration.

**Continuing Education**

Continuing education is provided for social workers, registered nurses, osteopathic physicians and pharmacists.

Social Work: For more information on continuing education provided for social workers, please visit: [http://www.socialwork.msu.edu/CE/Co-Sponsored-Programs](http://www.socialwork.msu.edu/CE/Co-Sponsored-Programs)

**Date:** June 15, 2017

**Time:** 8am-12 noon

**Location:** Michigan State University College of Nursing, Room A131
(Breakfast will be provided)
