Professional Experience

Michigan State University, School of Social Work

November 2021- Current

Director of Fostering Academics and Mentoring Excellence (FAME)

- Coordinated all services provided by the FAME Program (Fostering Academics, Mentoring Excellence), including life skills coaching, mentoring, monthly workshops and training, and finals week survival kits.
- Researched best practices to increase student engagement and collected qualitative and quantitative data to monitor program progress.
- 2024- Spearheaded stakeholder negotiations to secure \$150,000 in scholarship funds to aid in student recruitment for the program.
- Head coach for FAME, delivering individualized support to 50-70 Michigan State University students per year with backgrounds in foster care or other nontraditional upbringings.
- Supervised a multidisciplinary team, including program staff, interns, and volunteer mentors.
- Monitored contract compliance and maintained accurate documentation, monthly reporting, and billing statements for the DHHS-funded program.

- Developed and implemented program policies and procedures, and conducted assessments and student-led case planning and interventions.
- Established and maintained partnerships with university personnel to create a supportive network for foster youth alumni on campus and enhance the availability of resources for at-risk students.
- Conducted outreach to high school foster youth on accessing higher education and participated in community outreach to raise awareness of the challenges faced by former foster youth in higher education.

Whaley Children's Center, Clinical Therapist

November 2016-November 2021

- Provided therapeutic treatment for adolescents (ages 5-17) who have experienced extreme abuse or neglect.
- Conducted comprehensive assessments, including psychosocial histories, court reports, individual treatment plans, behavioral and suicide risk assessments, and safety planning.
- Facilitated individual, group, and family therapy sessions and participated in interdisciplinary clinical team meetings.
- Collaborated with families, attended case conferences, review hearings, IEP meetings, and coordinated with external service providers to support children's permanency and long-term well-being.
- Provided crisis management and after-hours on-call services.
- Co-Facilitator, Independent Living Program
- Assisted in implementing an independent living program for youth ages 15+, focusing on teaching essential life skills aligned with the Casey Life Skills Assessment.

Harambe Management Solutions (contract) Taylor Life Center/Consumer Services, Inc (CSI).

July 2018-July 2019

- Developed and monitored person-centered plans and treatment goals to support clients' mental health and well-being.
- Assessed clients' needs and linked them to appropriate public and private resources to enhance their care and services.
- Coordinated services with other treatment team members, ensuring a collaborative approach to client care.
- Maintained strong relationships with referral sources and stakeholders to facilitate timely service delivery.
- Worked both in office and in clients' personal residences to ensure comprehensive care and support.

- Provided family psychoeducation to empower families with knowledge and strategies to support clients' mental health.
- Petitioned the court to address serious mental health needs, advocating for appropriate legal and treatment interventions.
- Maintained active communication with clients' family members and friends to ensure a supportive and informed care network.
- Held a part-time position, balancing a caseload and delivering high-quality case management services.

Michigan Department of Health & Human Service (DHHS) May 2015 –November 2016

- Worked with a diverse population of families in both urban and suburban settings, providing comprehensive foster care services.
- Conducted weekly to monthly client visits to assess needs, monitor progress, and connect families with appropriate services.
- Facilitated Family Team Meetings to develop and implement support plans tailored to individual family needs.
- Represented families during civil court hearings, advocating for their rights and needs in legal proceedings.
- Performed case management duties, ensuring timely service delivery and accurate documentation.
- Completed initial and updated plans, as well as court reports, to ensure compliance and support family reunification efforts.
- Held a full-time position, managing a caseload while maintaining a strong focus on client advocacy and family preservation.

Wolverine Human Services

August 2014- May 2015

- Provided therapeutic treatment to adolescent males (ages 13-17) for 6-9 months at Wolverine Human Services.
- Completed psychosocial histories, court reports, individual treatment plans, and behavioral assessments.
- Conducted suicide risk assessments, safety plans, and PREA assessments to ensure client safety and well-being.

- Led individual, group, and family therapy sessions to address mental health needs and promote recovery.
- Participated in interdisciplinary clinical team meetings to develop and evaluate treatment plans.
- Supervised and mentored youth specialists, ensuring the effective implementation of treatment strategies.
- Facilitated case conferences and family visitations to ensure collaboration between clients and their support systems.
- Held a full-time position, managing a demanding caseload and ensuring continuity of care for all clients.

Whaley Children's Center

June 2013- July 2014

- Worked directly with adolescents and children to support basic everyday needs, including cooking, cleaning, social interaction, and educational goals.
- Became CPR certified and trained in Therapeutic Crisis Intervention (TCI) to effectively manage crises and ensure safety.
- Gained experience working with children who have experienced abuse or neglect, fostering empathy and understanding of trauma dynamics.
- Developed and facilitated anger management groups to promote emotional regulation and positive behavior among youth.
- Reviewed and understood individual case files and behavior plans to provide tailored support and interventions for each child.
- Held a part-time position, contributing to a positive and structured environment for at-risk youth.

Flint Community Schools

September 2013- April 2014

- Provided services to students with special needs as part of the Learning Support Staff (LSS) team.
- Assisted in the preparation of Individual Education Plans (IEPs) and Behavioral Intervention Plans (BIPs) to support student development.
- Facilitated social work groups focused on stress and anger management, emotional identification, self-esteem, and improving classroom behavior.
- Maintained direct contact with parents to provide updates, support, and collaborate on student progress.
- Documented case notes and observed a wide range of diagnoses to better understand and support elementary students with diverse needs.

- Held a part-time position, contributing to a positive and supportive school environment for students with special needs.

Certifications

2016-Current
